Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

BID Swim-Ability 2021-22 feedback "loved being in the pool & when the floats came out "her confidence in the water has grown so much since having these lessons " "5 stars "

One of our recent Equipment Applications.

Is a special need push-chair, for 4 year old Ezmai who is diagnosed with Autism and development delay.

She is Non-verbal and has lots of sensory needs.

Days out are no longer an option due to her melt downs. Providing Ezmai with a specialist Buggy will open up lots of opportunities for both her and her family.
