In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults and their families/carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family.

Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.
