Everyone deserves a blessing in disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults and their families/carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

What we do...

- Provide much needed support for children and young people, their families/carers
- Provide Free Specialist Equipment
- Exclusive & Inclusive organized Events & Fun Activities
- Fundraising
- Community Involvement & Partnership working
- Create Treasured memories
- Networking Coffee mornings

Blessing in Disguise have a request to help Elijah. Elijah turned 2 years old in February and for the majority of his life he has been in critical care. Elijah is hoping to be released from the hospital in the near future

However he will still have 24/7 care, fully vented and fed through a gastronomy.

With his complex needs he will have countless medical appointments so we are needing to provide a specialist seating system to transport him to and from his appointments.

It's coming soon, Blessing in Disguise in association with A.L.Silcock's

Are holding two special Funfairs for children and young people with disabilities and life limiting illnesses on the 30th April at Orford Park and 14th May at DW Stadium.

SWIM-ABILITY STARTS 17TH MARCH.

If you are the parent or carer of a child with disabilities or special needs ensure they don't miss out on all the fun and skills that can be gained by getting wet! Swimming is a great activity for improving health and fitness and is often prescribed for children with a physical disability as a form of therapy because the water is weight bearing.
