Due to the current situation with the Corona Virus – Covid 19. We know how difficult it is for everyone at the moment especially those who are self-isolating with children with special needs. So, we are hosting a virtual coffee morning each week on our Facebook page so that everyone can have a chat and support each other. We have implemented new and innovative services tackling social isolation for those who are most vulnerable at the current time.

Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

### Blessings Safe at Home

*Blessing  
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

### What we do...

We fundraise all year round to provide much needed support to children & young people, their families/carers by:

- Providing FREE specialist equipment
- Organising VIP Exclusive & Inclusive events & fun activities
- Working in partnership with other community groups & charities
- Creating treasured memories
- Promote social inclusion by hosting networking coffee mornings

A parent's review of our Safe at Home Activity packs.

She wrote:

"I can't thank you enough what you have done for us and other families. We are really struggling but with your support you have kept us going, you deserve credit, thank you! The pack was amazing.

Ellie's eyes lit up when she saw the teddy bear. She's not put it down since receiving it and I've even got her to colour a picture in for the first time."

Due to the current Corona Virus Covid-19 situation, we know how difficult it is for everyone at the moment, especially for those who are self-isolating with children with special needs.
