## *Everyone deserves a blessing in disguise....*

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing  
In Disguise*

We are a socially responsible organisation, helping and supporting lots of children and families by promoting and providing free equipment, activities and themed breaks and social and recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to help many more children, their families/carers, providing much needed equipment to more families across the UK and make a significant difference.
