Unfortunately all our events are still cancelled included our fabulous **Santa in July** following the advice of the Government. Due to the current situation with the Corona Virus – Covid 19. We know how difficult it is for everyone at the moment especially those who are self-isolating with children with special needs. As soon as we can start our events we will.

In June we had some very sad news that one of our service users has gained their angel wings (not Covid related). This little one made such an impression on all of us at Blessing in Disguise. Our thoughts are with his lovely family and friends.
Rest in Peace.

See our Facebook or Website for our Events.

Blessings Safe at Home Activity Packs

Due to the current situation with Corona Virus – Covid 19 we know how difficult it is for everyone at the moment especially for those who are in self-isolation with children with special needs. So, we have created a

Safe at Home Activity Pack funded by The National Lottery which contains the following:

1. Activity Booklet
2. Crayons
3. Face Covering (not medical grade)
4. Sensory Toy & Soft Toy
5. Confectionery

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

Pride of Britain Awards has received nominations for one of our volunteers, 6 year old Erica from Wigan. She has spent the last two years fundraising to raise money for Blessings in Disguise Charity which focuses on creating positive changes to improve family's lives. Erica is a young carer for her 5 year old sister Evana who has a rare chromosome condition called 15q11.2 micro-deletion which causes learning and physical difficulties.

During lockdown she has been making sweet cones to cheer her neighbours up, donating chocolate and sweets to her local doctor's surgery and giving food parcels to keyworkers at the NHS. What a brilliant big sister she is!
