Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

Nominations are open for those children who may have been seriously ill or battling a life-limiting illness over the last Christmas or for those who enjoying the next Christmas may not be an option. Santa in July will be held on 22nd July subject to change, due to the Covid-19.

With restrictions lifting we are so happy we are able to send some of our registered children to Circus Starr.

Circus Starr brings all the fun of the circus to children and families that may have found this difficult in the past. They know that a circus is a family event that brings everyone closer, encourages creativity and allows people to become stronger and more able to face life's challenges head on.
