Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

Blessing in Disguise Pen Pal activity.

Due to the current situation with Corona Virus – Covid 19 we know how difficult it is for everyone at the moment especially for those with children with special needs. So, we started the Pen Pal activity last month helping our isolated children to correspond with each other reducing the feeling of isolation. Funded by Cash For Kids. Here are just a couple of the children involved.

In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

Throughout the current climate we find ourselves in Blessing in Disguise has continued providing vital equipment. Ellis recently received his gait walker and is already making fantastic progress.

The charity is still accepting applications for disability equipment. See our website for our application form.
