## Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling the freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

Blessing in Disguise

We are a socially responsible organisation, helping and supporting many children and their families by providing free specialist equipment, promoting activities and themed breaks and social and recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to help many more children, their families/carers, providing much needed equipment to more families

- What we do...
- Provide much needed support for children and young people, their families/carers
- Provide Free Specialist Equipment
- Exclusive & Inclusive organized Events & Fun Activities
- Fundraising
- Community Involvement & Partnership working
- Create Treasured memories
- Networking Coffee mornings

"Eve"

Blessing in Disguise has had a request for a specialist wheel chair for 12 year old terminally ill Eve, who suffers with Leighs Encephalopathy, Cerebral Palsy, Epilepsy Kypho Scoliosis and is Tracheostomy ventilated. Eve needs the a specialised "Chunc" wheelchair because her shape changes frequently (due to her Scoliosis) her current moulded chair is not adjustable and unsuitable. Eves spinal curvature makes standard seating difficult to maintain.

With your kind support Blessing in Disguise have provided the following equipment:

Various equipment; special needs wheelchairs buggies & accessories & high chairs; various bedroom furniture; beds & bedding; various safety equipment; Easter eggs & toys; dark dens & sensory equipment; communication aids; wheelchair covers & foot muffs; ICE badges, lanyard and wristbands; safety aids & monitoring equipment for autistic children with epilepsy; 'Swim-Ability' disabled swim therapy sessions; family respite breaks, assisted transport, family days out, cinema & tourist attractions, specially adapted fun fair and exclusive access for disabled children.. plus much, much more...

"Chunc"

The "Chunc" seating system we are providing for Eve is more easily adaptable and will provide continued support to maintain her wellbeing as her condition slowly deteriorates.
