Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

Visiting Santa is something most families take for granted. For some children it can be a sensory overload or enjoying the next Christmas may not be an option. Thank you to PE Pipeline for fundraising for our event.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

Bobby's Story

7 year old Bobby is non verbal, has complex needs which are life limiting.

The picture below is bobby at our Santa in July event.

Mum messaged the next day saying: "Thank you so much for everything you do. I think a lot of Bobby's confidence comes from your events, it was the first time he's played pass the parcel and sat next to Santa. I was so proud and I've you to thank for the memories"
