Everyone deserves a blessing in disguise....

Blessing in Disguise is a not-for-profit organisation created to enrich the lives of disadvantaged children and young people. Throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences with the focus on improving the quality of life for the families and carers of children and young people with disabilities, and disadvantaged and terminally ill children and young people between the ages of 0-19 years

Blessing in Disguise

We are a socially responsible organisation helping and supporting lots of children and families by promoting and providing free equipment, activities and themed breaks and social and recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to help many more children, their families/carers, providing much needed equipment to more families across the UK and make a significant difference.

What we do...

- Provide much needed support for children and young people, their families/carers
- Provide Free Specialist Equipment
- Exclusive & Inclusive organized Events
- Fundraising
- Fun activities
- Community Involvement
- Treasured memories

Blessing in Disguise has secured some fabulous IT equipment with some of the funds raised to assist the development needs of children and young people with disabilities.

Pictured left to right: Annette Jackson, BID volunteer with Sandra, mum of 11 year Aidan who has severe autism

We are currently trialling the first of the IT communication aids which can be loaded with lots of learning apps, with a young boy with severe autism and will monitor and review his progress and will hopefully be rolling these out to more children with a learning need.
