In this third lock-down the charity is still offering our online buddy support system. Often families with a child with disabilities or life limiting illnesses find themselves isolated. So our online services and support are more important now than ever before.

We are still accepting applications for disability equipment. See our website for our application form. www.blessingsindisguise.co.uk

Blessing in Disguise is a socially responsible organisation, providing much needed support to many children, young adults & their families free of charge. Since the start of the pandemic we have noticed many additional families contacting us for support. At the moment the services we provide have never been more important in supporting the community who have children with special needs. So why not take part in our Lottery and help to support Blessing in Disguise.

Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

Christmas in a pandemic is hard for all, and even harder for a child with disabilities. So, Blessing in Disguise held a virtual grotto sending gifts and personal messages from Father Christmas to most of our registered children.

A huge thank you to David Coupe from Transport Training Academy, Dan Bevin from Aesthetic Development UK and all whom donated to the event making treasured memories for our special children.
