Once again a huge thank you to Westwood Motor Group for the donated van, Firwood Timber Westhoughton for the donation and to W.c.c Ltd for the volunteered manpower. Christmas 2022 Blessing in Disguise was once again part of Rock FM Mission Christmas. Without the support from local businesses the charity could not carry out its vital work helping families with children with life limiting illnesses or disabilities.

Applications open all year round for disability equipment or to register.

Research published for Channel 4 news November 2022 revealed that nearly 4000 parent carers that showed 39% of families with seriously ill and disabled children have cut back or stopped using essential disability equipment due to rising energy costs. We have adapted, to help the family's needs by producing "Cost of living support parcels"

Here's one families feedback....
"I would like to extend our gratitude to the companies and donators working with Blessings in Disguise and hope they realise the impact of their generosity for families like ours. Due to our personal circumstances Christmas for our household would've been an absolute write-off, but, due to donations like the cost of living parcel, it has made things so much more bearable. As a strong-willed, independent mum of 5, it's so hard to admit I need help to support my family, especially with essential goods like fabric conditioner / toilet rolls: which I have been using for the children's clothes only, to save whatever we can, wherever we can, the last 2 years I have had to learn to be savvier than usual with food shopping and essential shopping. Thanks to donations like this, I will be eternally grateful, so, on behalf of my family and I, thank you so very much, you have no idea how grateful we are for the little pockets of sunshine in our lives, that is yourselves and the tremendous and tireless work you do to support us daily."

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

Visiting Santa's grotto is something that most families take for granted, for some children it can be a sensory overload and overwhelming. Here are a few of our visitors with additional sensory needs meeting Santa.
