Everyone deserves a blessing in disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults and their families/carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

Elijah turned 2 years old in February and for the majority of his life he has been in critical care. Elijah is hoping to be released from the hospital in the near future

However he will still have 24/7 care, fully vented and fed through a gastronomy.

With his complex needs he will have countless medical appointments so he needs a specialist seating system to transport him to and from his appointments.

Thanks to your kind donations Blessing in Disguise has successfully provided this vital piece of equipment.
