## Everyone deserves a blessing in disguise....

Blessing in Disguise is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing in Disguise*

We are a socially responsible organisation helping and supporting lots of children and families by promoting and providing free equipment, activities and themed breaks and social and recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to help many more children, their families/carers, providing much needed equipment to more families across the UK and make a significant difference.

### What we do...

### Message from St. Ann's Hospice...

"We're really grateful to Blessings in Disguise for their very generous donation of Christmas gifts for the families of our patients. Christmas can be a difficult and emotional time of year for those we're caring for and their loved ones, and these gifts really helped spread some Christmas cheer. Thank you."

Blessing in Disguise would like to wish you all the best for the year ahead and thank you for your continued support.
