Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

What we do...

We fundraise all year round to provide much needed support to children & young people, their families/carers by:

- Providing FREE specialist equipment
- Organising VIP Exclusive & Inclusive events & fun activities
- Working in partnership with other community groups & charities
- Creating treasured memories
- Promote social inclusion by hosting networking coffee mornings

Wigan Athletic aimed to promote inclusivity for sports fans on match days with their "Unite for Access" initiative. On March 1, 2025, we were delighted to send 63 representatives from the charity to support this important cause.

Blessing in Disguise would like to express our gratitude for the invitation to The Rotary Club of Bolton with Le Moors' lunch, even though it came about due to another speaker's health issues. It was a delight to meet the Rotarians, and we hope our presentation provided valuable insights. Your support is incredibly meaningful to our charity.

In 2018, we received a request for a specialized wheelchair for Gabriel, who has cerebral palsy and complex medical needs requiring palliative care. As part of our charity's initiative, we focus on recycling and reusing equipment whenever possible. We are thrilled to have received the specialized chair back for a revamp servicing, allowing another family to benefit from it.

With your kind support, Blessing in Disguise has provided the following equipment/services:

Mobility and walking aids, special needs wheelchairs, buggies & accessories; high chairs, low chairs, posture seating; communication aids and adaptations, monitoring equipment; specialist beds & bedding; safety equipment; Lock-down activity and support packs; social links & networking during lock-down; various home equipment, furniture; Christmas grotto, Easter eggs & toys; dark dens & sensory equipment; communication ICE badges, lanyard and wristbands; disabled swim therapy sessions; family respite breaks & family days out; specially adapted fun fair and exclusive access for disabled children.. plus much, much more...
