

SUPPORT

We need your support to help us to provide the much needed specialist equipment and activities for the children and young people with disabilities or life limiting illnesses.

Thank you to all our donors for your kind generosity.

Enquiries are always welcome from any organisation or individual who would like to support our charity or anyone who feels that their child may benefit from our services.

COMMITTED

Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

What we do...

We fundraise all year round to provide much needed support to children & young people, their families/carers by:

- Providing FREE specialist equipment
- Organising VIP Exclusive & Inclusive events & fun activities
- Working in partnership with other community groups & charities
- Creating treasured memories
- Promote social inclusion by hosting networking coffee mornings

This is Reece, a 21-year-old dealing with a number of health issues, such as Asperger's syndrome and epilepsy. He received a kidney transplant 19 years ago this year.

He likes to read books, play darts, watch the Wigan Warriors rugby team, and participate in karaoke. He is working with the Blessings In Disguise charity as part of his college work placement.

He is in his second year.

His job is to use create posters for different events, like "Santa in July" and Wigan Warriors rugby tickets, which are then posted on our social media.

He also helps by listing various items for the charity on Vinted.

It is a fulfilling experience to volunteer for this organization.

Dressing up as an elf for the "Drop-In with Santa" event was one of his favourite experiences at Blessings In Disguise. He loved lending a hand and witnessing the happiness on the young children's faces as they had fun, so it was a very special experience.

The work that Blessing in Disguise does is critical for children with special needs. The photo to the left was taken only last week and shows a young service user with a genetic disorder riding his trike, which was donated to him during lockdown 2020. Shown in the image below Any piece of equipment with the word disability in front of it will cost more. The trike was only able to be donated to one of our service users thanks to the generosity of our supporters.

Blessing in Disguise likes to recycle and reused equipment where possible, so we do our part for the environment and cost savings, reducing demand for new.

With your kind support, Blessing in Disguise has provided the following equipment/services:

Mobility and walking aids, special needs wheelchairs, buggies & accessories; high chairs, low chairs, posture seating; communication aids and adaptations, monitoring equipment; specialist beds & bedding; safety equipment; Lock-down activity and support packs; social links & networking during lock-down; various home equipment, furniture; Christmas grotto, Easter eggs & toys; dark dens & sensory equipment; communication ICE badges, lanyard and wristbands; disabled swim therapy sessions; family respite breaks & family days out; specially adapted fun fair and exclusive access for disabled children.. plus much, much more...
