Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults and their families/carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family.

Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

What we do...

We fundraise all year round to provide much needed support to children & young people, their families / carers, by

- Providing FREE specialist equipment
- Organising VIP Exclusive & Inclusive events & fun activities
- Work in partnership with other community groups & charities
- Creating treasured memories
- Promote social inclusion by hosting networking coffee mornings
