Everyone deserves a blessing in disguise....

Blessing in Disguise is a UK based not-for-profit organisation created to enrich the lives of disadvantaged children and their carers.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and providing a range of life enhancing experiences with a significant impact in improving the quality of life for the families and carers of disabled, disadvantaged and terminally ill children and young people between the ages of 0-19 years.

Blessing in Disguise

We are a socially responsible organisation helping and supporting lots of children and families by promoting and providing free equipment, activities and themed breaks and social and recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to help many more children, their families/carers, providing much needed equipment to more families across the UK.

What we do...

- Provide much needed support for children, their families and carers
- Holidays / Respite
- Equipment
- Events / Fundraising
- Fun activities
- Community Involvement
- Treasured memories

Blessing in Disguise managed to raise funds through kind donations to purchase a much needed suitable special needs pushchair to enable a better quality of life for Archie and his family. They can now enjoy going out as a family knowing that Archie will be in a safe and secure place and that Archie's autism and challenging behaviour need not disable them as a family.
